Student Activities Office

A lot of activities go on at FHS every day. There are meetings, sporting events, classes (of course), and then there are the "special" events. Although each group involved takes charge of these happenings, there are a lot of details that need attention as well. A dedicated (and hungry) group of juniors and seniors volunteered their academic support time in Student Activities. They worked on the computers, filed, photocopied and stuffed. They would brainstorm ideas and solutions. And they ate...Cheerios, crackers, chips, pizza, Becky's goodies, candy...basically anything that appeared in the office.

We are lucky to have John Kotfila (an Activities Office veteran) and Jenny Grace from the Class of 2004. They will be back next year - experienced and still hungry.

We will miss the rest of the "Back Room Gang" who will graduate in June. We are so afraid that we will forget someone - so please bear with us. Maria, Nicole, Chelsea, Ann, John, Brad, Charis, Jessica, Liz, Katie...you made us laugh and cry - sometime both at the same time. We have become friends, conspirators, critics and "personal trainers." You have taught us the most amazing things and we hope that we have influenced you a little bit (for the better?) As you are reading this, you are in college - far from the halls of FHS. We are still here and think of you often. We wish you health, happiness, wisdom and - maybe even wealth (so you can get us into a really great retirement home.)

We love you all. - Mrs. Werner and Mrs. Sangster

Yearbook 2003

A special thanks to Mrs. Werner and Mr. Joseph Studley for all of the time and effort they put in to making this yearbook the masterpiece that it is. The production of this book would be impossible without their incredible support and expertise.

Mrs. Werner and Mr. Studley - Thank you for everything that you do!

The editors behind all of the Yearbook Madness!

(back row, l-r): Jessica Chapman, Marjorie LaCroix, Jon Thompson, Annie Gray, Jessie Green and Charis Wallace

(front row, l-r): Betsy Todd, Maria Tavilla and Jenna Economides

Rebecca Archer, Ashley Banks, Kelly Barrows, Kathryn Best, Jen Bonanno, Kim Boselli, Joanna Bourque, Carli Cannata, Ann Castellano, Alyssa Catalano, Beth Chartier, Molly Clark, Chelsea Goulart, Morgan Gould, Allison Hamilton, Kristina Harvey, Laura Higgins, Christa Hutchinson, Andrew Katcher, Donna King, Ailey Kirwin, Colleen Martin, Sam Morse, Meghan Morton, Kelly O'Donnell, Lauren Shivala, Angela Sizelove, Meghan Walantis, Shawn Wolf, Nicole Wood.

As you flip through the pages of this yearbook, smiling and laughing, remembering all of the fun times of the 2002-2003 school year, did you ever stop to think about the production of this masterpiece? After taking the pictures, attending meetings, putting together page layouts, meeting deadlines, proofreading, proofreading and more proofreading... **VOILA!** The yearbook is produced! Except... it's not nearly as easy as it sounds. The 200+ pages of this book were put together with care, and are meant to spark exciting memories and remind you of the experiences you've had at Falmouth High School. So enjoy looking through the book, but remember those that took the time to make it happen.

Chorus & Reps

The Chorus and Repertory Singers have been working very hard this year. We have performed all of our annual concerts, as well as done loads of fundraising for our trip to New York City. In N.Y.C., we competed at the Heritage Festival and sang at Ground Zero.

Congratulations on a fun and successful year!

The Chorus performs at the annual Holiday Concert in December.

The Reps sing their hearts out during a performance this year.

Chelsea Goulart wasn't cheering on the sidelines for this football game, she was right in the middle of everything as a part of the defensive lineup with Amy Justason, Jessica LeBlanc, and Ann Castellano.

Ugly Tie Day

The crew in the Activities Office shows off their ugly (and edible!!!) ties. (l-r): Jon Thompson, Nicole White, Maria Tavilla, Jessica Chapman, Ann Castellano, and Molly Clark-Barol.

Frostbite Friday

This winter, Mrs. Werner decided that we needed a day to lift our spirits from the incredibly long cold weather spell we'd been having. So Friday, January 24th, became known as "Frostbite Friday." Students and teachers dressed in summer attire!

Birthday: October 21, 1984

The Class of 2003 greatly misses Rich's presence in our lives. Rich had a way of making everyone around him smile and laugh. He had a true passion for skateboarding and rollerblading and he loved spending time with his friends. He also enjoyed music and drawing. Rich, we will never forget you!

Yearbook Dedication

The custodial staff at FHS. These are the faces we all see around the school. The ones that make it all happen. Without them, we wouldn't know what to do! It is truly a blessing to have such a helpful, hard working and fun loving staff!

Wendy Silva pauses for the camera before getting back to her hard work behind the scenes at FHS.

Mr. and Mrs. John Bordeiri were key elements in making last year's Junior/Senior Prom in the FHS gymnasium, a success.

As things broke, you were there to fix them. When footprints were left behind, you were there to wipe them away, leaving no trace of the day's work, only to be reminded that for some of us, our work was just beginning. The Class of 2003 would like to dedicate this year's yearbook to the custodial staff at Falmouth High School, a hard working group of people that have a love for life. Without them the doors would never be unlocked, our offices never cleaned, our lights never turned on. They go out of their way to help anyone at any time. They can turn anything into something beautiful. The last Junior/Senior Prom at Falmouth High, in the gym, was an event to remember. Without the custodial staff, all we had was hope. They are the best at what they do. They make me laugh, smile, and they will always be my best friends. Thank you.

- Senior Class President
Maria Tavilla

Class of 2003: Officers and Advisors

Joy is a moment shared with others that connects you with friendship and memories. Memories that we have shared with Mrs. B. and Mrs. Coogan will always be connected with the joys of high school and moments that are forever perfect in time. We want to thank Mrs. B. and Mrs. Coogan for the tremendous amount of time and effort they have put in to making the Class of 2003 a class of stars! Thank you both for everything!

- Maria Tavilla
- Chelsea Goulart
- Nicole White

The leaders of the Class of 2004: (l-r): Mrs. Bourgeault (advisor). Chelsea Goulart (VP), Maria Tavilla (Pres.) Nicole White (Sec/Tres), Mrs. Coogan (advisor).

Sometimes there are things you want to say that you can't find the words enough to express. The Class of 2003 has made me who I am as a person, and I take a part of you with me wherever I go. You gave me 252 reasons to smile everyday and that's all I ever needed.

Maria Tavilla (President)

To the Class of 2003,

There are few times in one's life where she is able to thank 252 peers for all doing the same thing. High school is such a crucial time for development and growth and I think, with the help of each member of our class, that I have done my share of maturing and learning. As we all know, high school is not simply about learning within the walls of a classroom, but being taught by your friends, who you are and who you are to become. I want to send a personal thanks to the Class of 2003 because these four years have been nothing but an amazing experience for me. Thank you graduates of 2003, you are all stars.

Chelsea Goulart (Vice-President)

High School isn't just about books, studying and tests. It's about friends, relationships, good times and bad times. I have learned more than just reading, writing, and arithmetic over the last four years. I've learned that good friends are hard to come by and you should hold on tight to the ones you've got. I have learned that if you try really hard, you can get what you want. These last four years have been filled with good times, lots of fun, and lots of laughs. I am so happy I have become friends with all the people I have. I will miss you all. Best of luck to the Class of 2003.

Love always, Nicole White (Secretary/Treasurer)

Class of 2003

A Tribute to... "the Debs"

Mrs. Werner and Ms. Sangster, as a special farewell, the seniors of your "activities crew" wanted a unique way to say thank you and good-bye. So, as a tribute to all of the behind-the-scenes work that you do at FHS, we're thanking you for always putting a smile on our face, making us laugh, giving us the right amount of encouragement as well as criticism, and for being there for us, through it all. You are two truly amazing women!

Working in the activities office was quite an experience. There was always something going on and at times it got pretty chaotic, but no matter how crazy it got, the "Debs" were always there to put a smile on your face, make you laugh, and fill your empty tummy with food. Thank you Mrs. Werner and Ms. Sangster for everything, you two are truly Super Women!

-Ann

Like two kids playing at the beach, water splashing, sand flying, and lots of laughing. Every day these kids go to the beach and never do they play the same game or laugh the same way. Always building castles with nothing but imagination. Those kids grown up and teaching others how to build castles, smile as a job is well done. Mrs. Werner and Ms. Sangster, you are amazing people and you always remind me that playing in the sand isn't just for kids. Thank you for helping me build my castle.

- Maria

Thanks for everything! I could not have pulled off "Spring Fling" without the two of you.

- Brad

Thank you so much for all the good times in the office. If it weren't for this office, I wouldn't have made it through senior year. You are wonderful people. Thanks for all the Cheerios!

- Charis

Mrs. Werner and Ms. Sangster, if it really is true that you "tease because you love," then you must love me... A LOT! I will miss all the jokes and fun times from the activities office. That was the one time of my day when I knew I could relax, laugh, eat lots of good food, and get work done, all at the same time. Thank you so much for always turning my stress into smiles. I will back to visit! You haven't gotten rid of me yet!

- Jessica

Mrs. Werner is the type of person in whom I can confide no matter how personal the situation. She is always willing to help and share her thoughts, (no matter how sarcastic they may be). And Ms. Sangster... she has one of the biggest hearts of anyone I know. Not only would she make sure that we had a plethora of Cheerios, but she would also help out in any way she could, not to mention putting orange stickers on my car, only adding to my collection. Thank you both for all of the work you have done and for the people you are. I can leave this place called High School with a good feeling knowing there are still people like you behind it all. Neither of you get enough credit in which you so truly deserve.

- Jon T.

Thank you Mrs. Werner and Ms. Sangster for all you have done for our class and for me!!! Over the last four years, you guys have done so much for us. I'll never forget you guys! Good luck without the Class of 2003. (You know you will miss us)!!

- Katie

What can I say about Mrs. Werner and Ms. Sangster? Well, they are both very nice, very energetic ladies. I always have fun in the activities office. There is always something to laugh about. The "Debs" are really great people!

- Nicole

Chappy's Final Thoughts. . .

Mrs. Werner, you are truly amazing! Not only did you teach me how to lower my cholesterol with Cheerios, but you've always been there for me, in school and out. I took on this job not knowing what to expect and I truly admire you for all that you put up with me! You better believe I'm coming back to visit ASAP! Thanks again! And to Betsy Todd, along with all of the editors and staff - The time and energy you put into making this book have made it priceless! Thank you!

"Truly great people emit a light that warms the hearts of those around them." A million thanks to the following for emitting that light in my life: Mr. Riebesehl - your memory will live on forever. Coach E. Holcomb, Coach K, Mrs. Werner, Mr. Anderson, Miss Brothers, Ms. Stephens, Mrs. Holcomb, Ms Kelley, Mr. Giardi, and Mr. McCauley.

To the Class of 2003:

"A ship in the harbor is safe. But that's not what ships are built for." It's time for us to leave our safe little harbor of Cape Cod and venture out in to the "real world." I wish all of you the best of luck in whatever the future holds for you; but no matter where you go... always remember where you came from.

To ALL of the volleyball girls: you've made my time at FHS worth remembering. Both on and off the court, Blockbuster and Stop & Shop at midnight, dancing in Hyannis... as a team! Haha! Good times! I'll miss you all incredibly but the memories will never fade!

Squish and Ewa ("HIP-HOP!") and Higgy (5 claps baby... let's do...): my 3 favorite juniors! Best of luck in your senior year: enjoy it while you can, it all goes by so fast.

Ash: We've grown so close over the past four years! Always remember our road trip to Nichols, & senior April vacation! I will miss you next year, but anytime you want to over-analyze, call me up cause I'm sure I'll be doing the same! Thanks for always being there (2/26/03). I love you Ash.

Larj Marj: Somehow whenever I've been stuck on something you've always been able to say the right words to make life seem so simple. We've helped each other figure out the hows and whys of life when no one else would understand.... coughPEARLScough! Never forget: "snap on... snap off," & "blood red love!" Thanks for always being there! I love you Marj.

Hikey: I can't think of a single conversation we've had that hasn't left me smiling, or with some new profound understanding of life... or calculus... haha. We've been through a lot together but that's what friends are for. There's no doubt in my mind that wherever you go in life you will find all the success you could ever dream of. I love you Hikey.

And a special thanks to my family: No matter where I go, I will always come back home. You are the foundation of my life, and the reason I continue living. Thank you for all of the support, bad jokes, hugs and kisses, and even the strict rules. You will never know how much you mean to me.

Much love,

Chappy

What makes people succeed is the fact that they have confidence in themselves and a very strong sense of purpose. They never have excuses for not doing something and always try their hardest for perfection. They never consider the idea of failing and they work extremely hard towards their goals. They know who they are and they understand their weaknesses as well as their strong points. They can accept and benefit from criticism and they know when to defend what they are doing. They are creative people who are not afraid to be a little different. You are one of these rare people and it is so exciting to watch you on your path to success as you follow your dreams and make them a reality. - Susan Politz Schultz.

Each year it is my responsibility to select a student who will become the Editor-in-Chief of the yearbook. Many times I have had a challenge but this year was easy. I selected Jessica Chapman. Little did I know, she would not only take over the production of the yearbook, but she would also become my right hand. She volunteered in the Activities Office every day. She worked tirelessly and effectively to produce the yearbook you hold in your hand. But she didn't stop there. She filled every spare moment working on activities, class events and general office routine.

I have known Jessica Chapman since she was a child. I have watched her grow and change and I am impressed with the young woman she has become. Jess is a caring friend, a dedicated worker, an outstanding student and a responsible person. Over the past year, we have had a lot of fun together even as we (sometimes) struggled with yearbook decisions and office problems. We have laughed and cried over personal events and we have learned much about each other in the process.

Jess, I will miss you next year as you head towards your future. You are truly special to me. You put up with my teasing, my terrible jokes, my sloppy office and somehow managed to smile. I hope that you will always remember this year (and me) with a smile. I began this page with a quote from Susan Politz Schultz. It says all the things that I could only try to express. Go out and follow your dreams. You will make them a reality. - Mrs. Werner

The purpose of life, after all, is to live it, to taste experience to the utmost, to reach out eagerly and without fear for newer and richer experiences. You have gained strength, courage, and confidence in every experience. You are about to embark on a new journey...never give up your right to be wrong, because then you lose the ability to learn new things and move forward with your life. Remember, I will always love you.

Determined, imaginative with a caring heart.

That makes you you.

down in a
book
The way I
feel
It would
take up too
many pages
And
wouldn't
seem so
real.
You know
I'll always
have you
back

In what you've done and what you'll do
Just remember, Sarah,
"Use your head"
And I'll always love
And be there for you.

Congratulations on your accomplishments. You've always made me proud. There are so many great memories—your first years in Burlington, second grade in Oak Bluffs, Felix Neck, the Falmouth schools, great report cards, the Vineyard house, our cats, figure skating shows and tests, trips to Disney, Grand Canyon, California, New York and Washington, 'NSYNC and Britney concerts, college visits, the red Highlander,

your flute, Marching Band, Wind Ensemble, Winter Percussion, Junior Prom, Senior Semi-Formal, Graduation, Jayce, Alex, Kelly and many good friends along the way.

The past eighteen years have been wonderful. I've treasured every minute with you. I hope that your college years will be equally as enjoyable and that you find a career and future that impassion you. Always surround yourself with happy, caring people. You're my shining star, Erin. I love you.

How far you've come my little one
Raising you was so much fun

When you arrived you brought the sun

And now it's time you travel far
The biggest brightest shining star
We love you no matter where you are.
